NCHMCT is in the process of exploring avenues of collaboration with International Universities and hotel groups for augmentation of academic inputs and exposure for its students.

2. In this regard, NCHMCT facilitated industrial exposure training of students with Marriott Mauritius which has three luxury resort properties in Mauritius. Marriott Hotels agreed to accommodate IHM Students for 5 months Industrial Training in the second year of B.Sc. HHA/BBA Culinary Art program. The training is as per the IET Structure of NCHMCT as per curriculum. In last semesters, several students from IHMs under NCHMCT have undergone this training for which the overall feedback is good.

3. Marriott has agreed to facilitate the entire process from selection to certification including assistance with Visa, immigration, insurance, accommodation and Industrial exposure training for our students. As per the information given by Marriott, Mauritius, the expenditure to be incurred and stipend of student undergoing training is as follows:

Expenditure: Approx. Rs. 1,47,000/- comprising of visa processing charges, medical, insurance, airport transfer, air tickets, admin fees etc. It may kindly be noted that the amount may have some variations based on the exchange rate and air ticket prices.

The stipend to be received by students for 5 months of training is as per the table below:

4. With living expenses added, student may be able to cover all usual expenses incurred in the course of training and at the same time will get an international exposure in a reputed chain international hotel.

P.T.O.

5. It is to be noted that NCHMCT as well as concerned IHMs is facilitating this process for only those students who are voluntarily willing to undertake this offer after getting a full disclosure of the aforementioned proposal.
